GORDON LEE ELECTED PRESIDENT OF GMN'S NORTH AMERICAN REGION

Gordon Lee of member firm Yale PGC in Toronto has been elected to take over from Tim Phillips as President of our North American region.

Gordon became a partner at Yale PGC in 1998 and has over 20 years of public accounting experience. He works closely with clients in the financial services, manufacturing, distribution, construction and development industries to assist them not only in their financial reporting requirements, but also with their taxation and estate planning needs. Gordon also works with a number of charitable and not-for-profit organisations assisting them in their fiduciary reporting requirements. He is actively involved in charitable organizations, serves on the board of two charities, and has assisted others in obtaining Trillium Grants.

Gordon holds a Bachelor of Commerce degree and is a member of the Chartered Professional Accountants of Canada (CPA Canada) and the Chartered Professional Accountants of Ontario (CPA Ontario). He has completed the Income Tax Practice course, and is an IIROC Panel Auditor.

Yale PGC (then Yale & Partners LLP) first joined GMN International in July 2015. Since that time the firm has been a committed member, well represented at both regional and international conferences. Gordon himself is also taking an active role in recruiting for his region, having successfully recruited KBHNS LLP in Montreal. He has plans to expand the region further and is already putting things in place to bring these plans to fruition.
